Rotary, Alan Gersten and RYLA

We had a packed and busy meeting last week with 7 guests (2 were speakers) and many topics to discuss. Our speakers were Kristen Struett of Angel RBI. They have just closed a deal with SAUSD to provide free baseball/softball training for student in 12 middle schools and luckily, George had a check donation to give to her.

Our other speaker(s) was Alan Gersten, Business teacher at Century H.S. and two of his students. Manny and Caesar, whom we had sponsored to RYLA last year are also members of the H.S. Interact. They both spoke to us of their RYLA experience which they said gave them the most memorable 3 days,

becoming more positive, outgoing and confident. They said they couldn't believe that such a short trip could have such an impact. This year's RYLA weekend is April 22-24 and Rachel and Leslie are attending. I don't know yet which students we have sponsored....
