## What you need to know about membership

Annabella Bonfa is a Rotarian and the membership chair for her club in Irvine. Obviously, we do not exist without members and so finding and encouraging new people to join is ongoing. Anabella kept her presentation brief but with key notes we should keep in mind:

- Always ask a guest/potential member about themselves – do not dump ‘all about Rotary’ on them!
- Remember that people join for one of 3 reasons; Local Community Service; Friendship; Networking.
- Take plenty of photos that illustrate the 3 reasons above – and then post them! – on Facebook, twitter, LinkedIn, etc.
- To find members, get off the chair/couch and go where people congregate, i.e. other functions, clubs and events.

Marketing – we should be inviting other clubs to join us on our Facebook page so

that we have more than our current 40+ views/likes.....

### April 20th Meeting at Antonello

Our guest speaker is Elizabeth Denker who will discuss how best to organize volunteering events.

### April 19th (Tuesday) 101 Meeting (Fireside)

The 101 meeting has been scheduled for 5:30pm at Eric’s house, 1816 N. Flower St., Santa Ana. Bruce will bring the bar....thanks Bruce – and Eric 😊

### May 13th-15th District Conference

Our District conference (in conjunction with San Diego!) will be held this weekend at the Fairmont Newport Beach Hotel. In a nutshell, this is the agenda; a Hospitality Night on Friday; breakout sessions all day Saturday culminating in a grand party that night. Even if you can’t make it Saturday at

least go to the Hospitality night on Friday – for \$25 it will be all-you-can-eat & drink – with old friends and new friends. So, book your Uber and come and have fun with us!

### Other Business

#### RYLA

Our club is sending 6 students to the weekend event April 22-24, accompanied by Rachel, Leslie and Kashif. One of the schools attending is Valley H.S. and we are working on helping them create an Interact club.

#### April.

Rotary has designated April ‘Maternal & Child Health’ month. We don’t yet have a program that focuses on this theme, so bring any ideas you may have to our meetings.

We meet Wednesdays at noon at Antonello Ristorante
