Managing our Volunteers

Elisabeth Denker coordinates the service programs and volunteers for Foresters (Life Insurance and Investments). Their focus is on the central Orange county area and our club may have an opportunity to participate in some of their upcoming events. Elisabeth shared some of her notes on managing the volunteer pool:

- To establish the number and type of volunteer for a certain project, first discuss the project with eh volunteers, the best time for the activity (night/day) and whether it is on-site of off-site.
- Although weekends are good for families to participate/attend, holidays and holiday weekend should be avoided. Also email the volunteers a week prior to the event and always remember that there will be a certain percentage that will not show up – so adjust the number of volunteers accordingly.

Leslie received her new blue badge – after she wrestled it from Patrick first! We also have badges for Elisabeth and Daniel which we hope to present to at our next meeting.

April 27th Meeting at Antonello

Our guest speaker is our own Rachel Cueva who will be sharing all the updates on the Boy Scouts of America – and hopefully, some tales of her weekend at RYLA!

May 3rd Breakfast with Jim

A breakfast has been schedule for our newest member, Jim Smith (welcome Jim!). It will be at 7:30am at the Corner Bakery, next to Antonellos. Make sure to

attend so that you can meet Jim and he can get to know you better.

May 13th-15th District Conference

Our District conference (in conjunction with San Diego!) will be held this weekend at the Fairmont Newport Beach Hotel. In a nutshell, this is the agenda; a Hospitality Night on Friday; breakout sessions all day Saturday culminating in a grand party that night. Even if you can't make it Saturday at least go to the Hospitality night on Friday – for \$25 it will be all-you-can-eat & drink – with old friends and new friends. So, book your Uber and come and have fun with us!

Other Business OCSA

The Orange County School of Arts is hosting a Senior Art Show and the grand opening is on Saturday 30th, from 3-5pm. If you can, please attend to show support for them.
