

SANTA ANA ROTARY 1959

## Adieu, George!

No, Patrick is not attempting to behead our president but is knighting him for his past year's achievements!

George had his demotion party on Wednesday night – which was really a royal roasting. Mel was the event compere and after he delivered a few digs at George, he handed it over to Ali, Patrick and Eric.

Our own Rachel was George's genie, complete with her magic lamp - in reminiscence of all the times George would say "I wish..... (Fill in the blanks)" – and his wish would come true!

Thank you, George, for a fun year, with new members and a great fundraising event!

### Book Doctor

These are some of our volunteers who turned up at the offices of ThinkTogether to clean and sort

# The Rotations

children's books. Lisa brought the pizza (there's Maureen reaching for a second helping ☺) and Patrick attempting to sound out the title of a book. It was an enjoyable hands-on project and one we could do a couple of times a year.

### Upcoming Events

#### O.C. Fair

We will not be joining ThinkTogether in their annual book collection at the fair this summer. They said that their volunteer quota was filled (even though we requested our services 6 weeks ago). However, we have tentatively planned a dental clinic with the Boys and Girls Club for August and also collecting and putting together back-packs for the kindergartners at Hoover School. If any of you have ideas for other community projects for July – or any time of the year – please let me know! Email me at [cpeppard@caparchitect.com](mailto:cpeppard@caparchitect.com)

### July Club meetings

#### July 13th

Our meeting will be in the Banquet Room. This will be our Club Assembly so there will be no speaker and it is suggested that any guests you have invited be rescheduled to the following

week. All chairs and Primary Leads (list attached with names highlighted) will give a 2 minute bulletin on their goals for this 2016-2017 year.

### July 20th

Our meeting will be in the Wine Cellar. We will have a speaker from Score, David Harris. **There will be a Board Meeting immediately following.**

### July 27th

Our meeting will be in the Wine Cellar. We will have a visit from our District Governor, Ray Sanford, so please bring

your guests then. Ray will be meeting with our Board 20 minutes before our meeting, so be prepared and make sure to turn up at 11:45am.

### Last Newsletter

This is my last newsletter. Kashif is taking over the role, so please, help him by taking photos of our events and sending to him and also, if you have a written blurb, send him that too. Thanks all – it was fun!  
Catherine.

### Fundraiser - Get Ready!

Here are the dates for our beer-pouring fundraiser at the Observatory:

August 13+14

September 17

September 24
