## Guest Speaker-Carrie Braun

This was a busy week for us, so let's start with our Wednesday meeting:

Our guest speaker was Carrie Braun, the Community Relations Manager with the Orange County Sheriff's Department. Carrie is a very engaging and delightful speaker and spoke of ways our club can partner with the deputies in their local charities/events. The majority of graduated deputies initially work in the County jail which exposes them to observe general criminal traits – an advantage for when the deputies are working in the public arena. We are working on planning an event with them over the Holiday/Christmas season.

We also had our fundraiser on Saturday! This was the beer-pouring event at the Observatory, called La Tocada. It was a wonderful turnout from our members, the Satellite club members and friends. We had about 30 participants in all. Imagine – 30!

Last Tuesday night, George and I attending a Santa Ana Chamber Mixer, held to celebrate 30 years of business for Sharon & Sons Flooring. We distributed

flyers for our upcoming mixer, so fingers crossed!

More happy beer-pourers!
